

Denial Is Not Enough, When It Is Time for Withdrawal From Alliance With the US and Its Puppet, Muhammad Bin Salman

On 7 October 2026, the New York Times reported, "A senior Pakistani military official, who spoke on the condition of anonymity to discuss operational matters, said on Wednesday that Pakistan Air Force fighter jets were being used in strikes against the Houthis."

It is obvious that the American deep state will embarrass and pressure the rulers of Pakistan until they send Muslim troops to fight Muslims in Yemen, to rescue Trump from the quagmire in Iran. It is also obvious that the mouthpieces of the rulers are busy now denying the report, and filling the social media and screens with long-winded justifications.

O Muslims of Pakistan!

Let us not waste our time in more fruitless debate over the narratives of the agents of Trump, when the Shariah rulings are clear. Islam forbids alliance with the disbelieving states, including the most hostile in enmity against the Muslims since World War II, the United States. As for Muslim states, the issue is not alliance with the agents of the West, it is the unification of all Muslim states under one Khaleefah (Caliph), who will rid the Muslim World of Western colonialism once and for all.

We have no time to waste. We must prevent the burning of our troops in a war of Fitnah in which Muslims slaughter Muslims, so that the American crusaders, the Jewish entity and the Hindu State rejoice over our corpses.

Demand the withdrawal from alliance with the US. Demand withdrawal from alliance with the custodian of American bases, Muhammad Bin Salman (MBS).

Contact every single father, brother and son of yours in the armed forces. Demand that they remove the traitorous rulers, and grant their nussrah (military support) for the establishment of the Khilafah Rashidah (rightly-guided Caliphate) on the Method of Prophethood.

Hizb ut Tahrir calls upon you and your armed forces to turn the tables on the disbelievers; so respond!

The United Nations is a Taghut (طاغوت Transgressing Authority) Behind Which Western Colonialism Hides

On 7 October 2026, the media wing of the armed forces of Pakistan stated, "António Guterres, United Nations Secretary-General, called on Field Marshal Syed Asim Munir... CDF reaffirmed Pakistan's commitment to international peace and highlighted its contributions to UN peacekeeping missions."

The former prime minister of Portugal, and current Secretary-General of the United Nations, António Guterres, met the army chief of the most powerful Muslim state, Pakistan, at a time that the European states with the UN Security Council are struggling after the withdrawal of the United States from commitments to multilateral institutions.

Muslim states must not participate in the UN in any manner. Before the European states created the United Nations, the idea of colonizing weak peoples in the nineteenth century was a source of pride for all European states, both minor and major. There was no difference between Britain, the Netherlands, Germany, Belgium, France, Spain and Portugal in their brutality against the peoples they colonized.

By the time World War II arrived, a sweeping global public opinion against colonialism had emerged. So, the European states hid their colonialism behind the United Nations. Deceptively, they even included articles concerning the termination of global colonialism in the United Nations Charter. Under the pressure of global public opinion, European states granted colonized peoples nominal independence, whilst maintaining control with new forms of colonialism, including the United Nations itself.

Under the supervision of the United Nations, the disbelievers have repeatedly attacked the lands of Muslims one after the other. Then, when Muslims resist occupation, it is the United Nations that calls them terrorists to justify the use of military force against them. From a Quranic perspective, the United Nations is a Taghut (طاغوت transgressing authority) that rules over Muslims by the laws of disbelief. Muslims must demand withdrawal from the United Nations and the establishment of the authority that governs the entire Islamic Ummah by the Shariah Law of Allah (swt), the Khilafah Rashidah (rightly-guided Caliphate) on the Method of the Prophethood.

International Law is a European Tool to Hinder the Leading State of the World

On 7 October, the Associated Press of Pakistan (APP) reported, "The United Nations must be strengthened and revitalised to preserve a rule-based international order and prevent a world where might becomes right, said Sardar Masood Khan, Former Ambassador of Pakistan to the United States, China and the United Nations, and former President of Azad Jammu and Kashmir."

The current political medium of the Muslim states will be unable to participate in Islamic revival, if it fails to acknowledge the danger of international law.

Before the European creation of international law, the competition for the position of the leading state did not feature political actions tied to international law at all. International law is a European tool to curb the centuries of expansion of the Khilafah (Caliphate), whilst its army knocked on the doors of France and Austria, and Islam spread rapidly within the peoples of Eastern Europe.

Thus, political actions tied to international law were initially to halt the dominance of the leading state, the Ottoman Caliphate, thereby creating room for the European colonialist states, particularly Britain and France. Whilst the European states initially used international law to impede the Ottomans, they are now attempting to impede the United States in its aggressive colonialism that is displacing European influence. So, it is not a surprise that Trump, and the American First faction of his support base, has cut ties with the rule-based order, withdrawing from 66 international institutions in January 2026.

The European political elites are as hostile to Islam as the American political elite. Politicians, ulema and activists in the Muslim World must denounce international law, to build a platform for the restoration of the Khilafah. Whilst carefully preserving international custom, the Khilafah will engage with states on the basis of their hostility against Muslims on the one hand, and receptiveness to Islam on the other, as it did for centuries. Nothing must be allowed to impede the spread of the justice of Islam, to rescue humanity from the horrors of capitalism.

Pakistan Must Lead the Flood of the Ummah and Its Armies to Liberate Al-Masjid Al-Aqsa

On 7 October 2026 the Prime Minister of "Great" Britain, declared, "Three years on from the October 7 attacks on 'Israel'... we continue to work towards a two-state solution, with 'Israelis' and Palestinians living side by side in peace and security"

The disbelievers are relentless in their injustice against the Islamic Ummah. After centuries of persecuting the Jews, "Great" Britain moved them to Palestine, establishing their occupation to sever the Muslim lands of Africa from Ash-Sham (the Levant).

However, Allah (swt) turned the injustice of the believers against them. Gaza exposed the weakness of the Jewish entity, who bomb women and children from the skies, but are unable to defeat the mujahideen in man-to-man combat. Gaza exposed the open support of the Western colonialists for the Jewish entity. Gaza exposed the rulers of Muslims, agents and followers of Trump, who deprive the armies of the Ummah of the honor of liberating Al-Masjid Al-Aqsa. Now the Ummah is awake and ready to take charge of its affairs.

O Sons of Khalid Bin Walid (ra) in the Armed Forces of Pakistan!

O you who adorn your main battle tanks with the blessed name of the Sword of Allah (swt), Khalid Bin Walid (ra)! Are you not the sons of Khalid Bin Walid (ra) who led the army of the first Khilafah Rashidah through the waterless Samawa Desert to grant support to the Muslims Ash-Sham, against the disbelievers of Rome?

Distance is no obstacle for men of Iman, martyrdom and victory. Do you not currently have tens of thousands of men stationed in Hijaz to defend the custodian of American interests, Muhammad Bin Salman (MBS)? Let them march in the footsteps of Khalid Bin Walid (ra), surging forward to Al-Masjid Al-Aqsa in Ash-Sham, inspiring all the armies and mujahideen to fall under your military command.

So, what are you waiting for? Depose the men of Trump within your command and grant your military support (nussrah) for the establishment of the second Khilafah Rashidah (rightly-guided Caliphate).

Hizb ut Tahrir seeks your nussrah now, so respond without delay!

Halt the American Plan to Burn the Armies of Muslims in Prolonged Wars of Fitnah

On 5 October 2026, Dawn reported that "Pakistan, Saudi Arabia and Türkiye have agreed to deploy military forces and capabilities rapidly in the kingdom, the Foreign Office (FO) said on Monday following an emergency meeting of the Makkah Joint Defence Agreement in Riyadh."

The American strategic vision for the Muslim World is the exploitation of its armies and resources to fulfill American interests. After the US military failed to launch a ground offensive to defeat the Muslims of Iran, and after the Jewish entity failed to defeat the regional proxies of Iran, Washington is demanding that its agents and followers amongst the rulers of Muslims "do more."

As long as the rulers of Muslims maintain control of the armies and the Islamic Ummah, the Muslim World is to burn in the blazing fire of continuous wars of Fitnah between Muslims. The American plan is to weaken the armies of Muslims in prolonged low-intensity conflicts of attrition, preventing any Muslim state from seeking independence from Washington. Washington thus hopes to secure the hegemony of the American crusaders, and its protégé in the west, the Jewish entity, and its protégé in the east, the Hindu State.

O Muslims and their ulema! Break the control of the agents and followers of Trump over your lands, wealth and lives. Demand the rejection of all forms of Taghut (طاغوت transgressing authority) whether it is the alliances and blocs of Trump, or the international law whose historical origin is the crusader resistance to the relentless expansion of the Khilafah (Caliphate) through Dawah and Jihad.

O armies of Muslims! Islam rescued the Aws and Khazraj of Al-Madinah, from continuous internecine conflict that weakened them before the Romans and the Persians. Islam unified them as a single armed force that opened the lands of Persia and Rome to Islam. Seize the traitors and grant your nussrah (نصرة military support) for the establishment of the Khilafah Rashidah (Rightly Guided Caliphate) on the Method of the Prophethood.

Hizb ut Tahrir calls you, so respond!

Why Can the Troops of Pakistan Not Be Used to Lead the Liberation of Al-Masjid Al-Aqsa?

On 2 October 2026 Reuters reported, "Pakistan has deployed between 30,000 and 40,000 troops to Saudi Arabia to help defend the kingdom's land borders and help with drone and missile interceptions, according to the second Pakistani official, who said the troops arrived in waves beginning last year but also after the recent escalation."

Since the rulers of Pakistan deprived themselves of sleep to broker a ceasefire between the U.S. and Iran, why can they not convince the Muslims of Yemen and Saudi Arabia to break any weapon that points at another Muslim now?

Since the rulers of Pakistan have sent troops to Hijaz to defend the two Sacred Masjids, why can they not now send troops to Jordan and Egypt to liberate the third of the three Sacred Masajid, Al-Masjid Al-Aqsa, which is under constant attack by the Jewish entity?

The rulers of Pakistan will never lift a finger for the interests of Islam, or even the “national interest,” because they are servants of Trump. After the arrogant Trump threw the US military into the quagmire of Iran, he was refused help by the states of Europe and East Asia, as they desire a curbing of U.S. power. Yet, the rulers of Pakistan obeyed Trump and are preparing to rescue the cowardly U.S. army.

Instead of mobilizing mouthpieces to declare the Muslims of Yemen and Iran as disbelievers, the rulers of Muslims mobilize troops to fight the actual disbelievers, the American crusaders, the Jewish entity and the Hindu State. Instead of declaring the wars of Fitnah between Muslims as Jihad to save Trump and his army, they must wage Jihad against the disbelievers to raise the Kalimah of Allah (swt) as the highest.

O Muslims of Pakistan! Order your armed forces to mobilize for the liberation of Palestine, from the river to the sea. Order them to depose any traitor who stands in their way. Order them to grant nussrah to Hizb ut Tahrir for the establishment of the Khilafah Rashidah.

Condemnations for Disbelievers and Bullets and Bombs for Muslims

On 3 October 2026, the Ministry of Affairs in Pakistan stated, “The Indian Chargé d’Affaires was summoned to the Ministry of Foreign Affairs today to lodge Pakistan’s strong protest over the killing of two Pakistani civilians by personnel of the Indian Border Security Force (BSF) in the Bedian Sector along the International Border on 2 October 2026.”

The Hindu State will not be deterred by meaningless condemnations. In fact, it is the weak response of our rulers that has emboldened the Indian government in fomenting regional instability.

The rulers of Pakistan squandered the opportunity in May 2025 to liberate occupied Kashmir when our brave armed forces prevailed over India. These weak rulers preferred to bow down to the U.S. Vice President and U.S. Secretary of State, when they intervened to save Modi through a ceasefire.

Encouraged by the weakness of the rulers of Pakistan, the Modi government has become more hostile to Muslims of the region. It has abrogated the water-sharing agreement with Pakistan in an attempt to strangle our agriculture; it is engaged in conspiracies to weaken Bangladesh and is attacking Muslims within India.

Yet, the rulers of Pakistan are busy making arrangements to host the enemies of the Islamic Ummah in Islamabad, including India, within the platform of the Shanghai Cooperation Organization (SCO).

They are acting as agents of Trump to build a bloc under India to counter China and the Muslims. Their role is to suppress any Muslim who resists the dominance of the US. Currently, they are actively bombing the Muslims of Afghanistan, as well as making preparations to fight the Muslims of Yemen, and deter Iran.

The agents of Trump in Pakistan do not respond to the aggression of the disbelievers as the Deen demands. The Khilafah (Caliphate) alone would give a befitting response to the Hindu mushrikeen, through the liberation of Occupied Kashmir. That would be the first step to returning the entire Indian Subcontinent to the Abode of Islam, as it was for centuries.
