

Capitalist System Allow the Rulers to Betray Islam

News:

Dr. Aafia Siddiqui was arrested in 2008 in Afghanistan. In 2010, Dr. Siddiqui was convicted by a U.S. court and sentenced to 86 years in prison. Dr Aafia's elder sister met her after 20 years in Fort Worth of United States where she is currently detained. While meeting her sister, Dr Fauzia was neither allowed to touch her sister nor was she allowed to show her the pictures of Dr Aafia's children. Both the sisters met in a room separated with a thick glass wall. ([Dunyanews](#))

Comment:

Dr Fauzia further added that Dr. Aafia was not in a good condition and it took almost an hour for Dr. Aafia to state what she had been through every day. She was waiting to meet her mother and children and she did not even know that our mother died almost a year ago. Dr Fauzia said Aafia had lost her front teeth in an assassination attempt inside the jail and had a scar on her head. Reportedly, Dr Aafia has been pressurised through different torturous techniques to speak up about the things she does not even know. Although Dr Fauzia explained what she has come to know in the recent meeting but still a lot of mysteries are yet to be uncovered. But we can expect what these disbelievers can do to Muslims. We have witnessed the enemies of Allah (swt) go to any length they can possibly get.

This was not unknown to the leadership of Pakistan at that time of Gen Musharraf and his cabinet when they handed over a Muslim sister to disbelievers, it is the system that enables Musharraf and company to betray Islam and Islamic values for worldly gain. On the contrary under the system of Khilafah (Caliphate) the whole Sindh was conquered to protect Muslim interest. There were reports of attacks on Arab Muslim trading ships and the mistreatment of Muslim merchants in Sindh. Hajjaj bin Yusuf saw the need to protect the interests of Muslims and ensure the safety of their trade routes. So Hajjaj bin Yusuf, the governor of the Umayyad Caliphate in Iraq, sent Muhammad bin Qasim to Sindh (a region in present-day Pakistan) for several reasons. Muhammad bin Qasim successfully led the Umayyad forces and conquered Sindh in 711 CE, establishing Muslim rule in the region.

Dr Aafia Siddiqui is just one example our so called rulers are still busy in betraying Islam and Muslims and are willing to go any length to please their Western masters so their masters grant them the thorn. This will keep on going and it's evident to all of us that under this western capitalist system Muslims interest will always compromised as we have witnessed it in Kashmir, Afghanistan and launching war against our own blood in the name of war on terror. Now it on us to abolish this man made system and replaced it with Khilafah on the way of Prophethood saw.
