

## Disgrace Upon Dishonor on the Rulers in the Muslim Lands

### News:

In a recent turning of the tide against the genocide in Palestine, many countries are voicing their support for Palestine and marginalizing the Jewish entity and its rulers. Slovenia's government recently has declared 'Israeli' Prime Minister Benjamin Netanyahu as a persona non grata in the country, citing the genocidal war he has waged on Palestine's Gaza.

An EU member, Slovenia recognized the State of Palestine in 2024 and imposed an arms embargo on 'Israel' in August. Last November, the International Criminal Court issued an arrest warrant for Netanyahu over alleged war crimes and crimes against humanity. [TRT News]

### Comment:

Not one Arab or Middle Eastern country has had the courage to even perform this symbolic action. Turkey, Egypt, Jordan, UAE, Bahrain, and Morocco openly have embassies of the occupying Zionists in our lands despite the massive amount of destruction of life, property, and dignity caused by this illegal entity. Others like Saudi Arabia, Syria, Kuwait, Oman, and Qatar maintain the façade of distance, yet their actions portray the opposite in relation to the entity. Countries like South American Bolivia and Nicaragua (who labelled 'Israel' "fascist" and "genocidal") have cut off relations with the Jews. Others like Colombia and Chile have recalled their ambassadors.

On the contrary, when missiles happen to target the Jewish entity, it is primarily the Arab countries that rush to protect the them. Jordan apparently felt compelled to lend a helping hand to the Jewish entity twice! On 1st October 2024 and June 2025, they intercepted missiles targeting the occupiers. Debris fell all over the country as a result (Amman, Balqa, Zarqa, Madaba, Karak) causing damage to property and injury to some people.

While at the same time, when the Zionist occupiers brazenly attack Arab countries, there is no support from other regional Muslim countries, nor is there even retaliation from the one aggressed upon! Syria, Lebanon, and Qatar, among so many, have all been targeted with no resolute repercussions.

The criminal ruling tyrants in our countries actively support the killing of our mothers, fathers, small sisters and brothers including infants and the brazen starving of an entire population while they vigorously prevent any assistance reaching them in the name of upholding some hollow 'international law'. How deluded and humiliated they have become! Allah (swt) says, **لَهُمْ قُلُوبٌ لَا يَفْقَهُونَ بِهَا وَلَهُمْ أَعْيُنٌ لَا يُبْصِرُونَ بِهَا وَلَهُمْ آذَانٌ لَا يَسْمَعُونَ بِهَا أُولَٰئِكَ كَالْأَنْعَامِ بَلْ هُمْ أَضَلُّ** **“They have hearts, but they do not understand with them, and eyes, but they do not see with them, and ears, but they do not hear with them. They are like cattle; nay, they are more astray than that!”** [Surah Al-A'raf: 179].

The ugly faces of the hypocrites and agent rulers of Western colonialists has truly been exposed for all the world to see. We are left with only one recourse of action—to reestablish the sincere Islamic leadership, that will unite our cause and send armies to liberate the occupied Blessed Land of Palestine. The Messenger of Allah (saw) said, **«إِنَّمَا الْإِمَامُ جُنَّةٌ يُقَاتِلُ مِنْ وَرَائِهِ وَيَنْقَى بِهِ»** **“Indeed, the Imam (Caliph) is the shield (commander) under whom the Muslims fight and defend themselves”** [Sahih Muslim].
