The Global Campaign of Hizb ut Tahrir Marking the Centenary for the Destruction of Khilafah Ended Successfully!

(Translated)

The [global campaign](#) of Hizb ut Tahrir under the title of “Establish it, O Muslims!” which lasted a month, beginning from the start through the end of the month of Rajab, has successfully come to an end. The campaign was launched on the occasion of the centenary for the destruction of the Khilafah (Caliphate) whose purpose was to draw the people’s attention on the importance of the Khilafah and the Ummah’s obligation to establish it, so the people-in-power and the well-equipped armies of the Islamic lands would mobilize together to facilitate the establishment of the Khilafah by giving Nussrah to Hizb ut Tahrir to put an end to the continuation of a hundred years of severe darkness and grief that the Muslims have been gravely tolerating so far in the absence of the Khilafah.

With the immense blessings of Allah (swt), the campaign has gained great achievements throughout Afghanistan. [Hizb ut Tahrir / Wilayah Afghanistan](#) has been successfully able to lead remarkably massive public gatherings stretching from Badakhshan to Herat, from Kabul to Kandahar, from Kapisa to Mazar-e-Sharif, from Takhar to Panjshir and Paktia, and to a large number of other provinces. In these gatherings, we made our best efforts to highlight and discuss the importance of establishing Khilafah in Islam and through the life of Muslims, the negative consequences the Muslims and the entire humanity suffered from after the destruction of the Khilafah so that the Ummah must realize their great responsibility which is to establish the Khilafah. During the campaign, tens of thousands of Afghans, including youth, elders, scholars, tribal and political leaders, participated in various campaign-related programs; as a result of which, the forgotten issues such as the ‘Khilafah’ and the ‘Unity of Ummah’, despite the upsurge of positive and negative stances of the people and politicians, turned into one of the hot topics among the people.

The campaign was dynamically and effectively promoted through social media as well. As the hashtag **#ReturntheKhilafah** both in Dari and Pashto happened to be one of the most popular trends of the social media accounts over the past month, reaching an unprecedented level in the history of social media in Afghanistan! As a result, the official page of the Media Office of Hizb ut Tahrir / Wilayah Afghanistan has been deleted three times within a month.

The comprehensive support of the people for the campaign both in real ground and social media shocked the Afghan government; which is why, the First Vice President started to promote negative propagandas against Hizb ut Tahrir. They conspired to use the non-

registration of Hizb ut Tahrir as a reason to lead destructive propagandas and campaigns against Hizb ut Tahrir to damage the relationship between the people and Hizb. However, their conspiracy backfired on them as a wide-ranging spectrum of people demonstrated their increasing support for Hizb ut Tahrir even more than before. ﴿وَلَا يَحِيقُ الْمَكْرُ السَّيِّئُ إِلَّا بِأَهْلِهِ﴾

“But evil plotting only backfires on those who plot.” [Fatir: 43]

Because Hizb ut Tahrir has been discussing over the establishment of a ‘State’ which is rooted in Islam, and whose establishment is one of the most desired expectations of every Muslim, especially of the Muslim and Mujahid people of Afghanistan who have been struggling against the occupation and colonization for decades with the aim of reviving Islam and establishing an Islamic state, with millions being martyred. Unfortunately, they have not yet reached their lawful demand.

The Media Office of Hizb ut Tahrir in Wilayah Afghanistan once again reminds the Mujahideen and Muslims of Afghanistan that the establishment of the Khilafah is the crown of obligations and the vital issue for Muslims. Without the Khilafah, not only Afghanistan but the entire Islamic world have been suffering from various kinds of insecurities, instabilities and crises and will do so in the future unless they restore Islam as a comprehensive system in life. Therefore, do refrain from repeating the same false version of state-building prescriptions that are being proposed by the foreign powers and their puppets. Such prescriptions will bring about no impacts other than the intensification of terror and bloodshed of Afghans. ‘War’ and ‘Peace’ have been the manipulative tactics of US and the West through which they happen to occupy and colonize Afghanistan; hence, we should not be bitten again from the same hole. Rather, we must seek to permanently eliminate the intelligence, military, political, and intellectual influences of the US and the West from Afghanistan.

Therefore, the only way out is through giving support to the call of Khilafah to re-establish Islam. Do support your brothers in Hizb ut Tahrir who are struggling for the comprehensive implementation of Islam within the framework of the Khilafah throughout the world. We believe in the Nussrah of Allah (swt) and hope that Allah (swt) will brighten our eyes and remove sorrow and grief from the suffered Ummah by showering His Nussrah and help establishing the Khilafah as what He did with the best Ummah of the past.

﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ﴾

“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life.” [Al-Anfal: 24]
