## The Buddhist Criminal Arakan Army is a Partner of the Myanmar Junta Government in the Displacement, Torture and Genocide of Rohingya Muslims

### Providing Humanitarian Aid to the US Proxy Arakan Army is a Betrayal against the Rohingya Muslims and a Shameless Example of Loyalty to USA, the Sponsor of the Genocidal Jewish Entity

While the Buddhist criminal Arakan Army, the partner of the murderous junta government in the ethnic cleansing of Rohingya Muslims, are in difficulties of civil war due to the geopolitical conflicts of the Colonialists, the interim government of Bangladesh has taken a policy decision to provide a 'humanitarian corridor' under the supervision of the US-controlled United Nations to deliver humanitarian aid to the Rakhine State. In fact, through this, the necessary logistics will be ensured for the US-backed Arakan Army, which is entrapped by the British-backed junta government. We have seen that the fallen Hasina government, loyal to Britain, allowed the junta's warships to operate in the maritime areas of St. Martin and Teknaf to confront the Arakan Army, and warmly welcomed hundreds of members of the Myanmar Border Guard Force (BGP) and army who fled to Bangladesh due to the ongoing fierce fighting and sent them back to their own land with care, whose hands are stained with the blood of our fellow Rohingya Muslim brothers and sisters. And now we see that the Home Ministry Advisor of the interim government has followed the footsteps of the traitor Hasina by calling the intruder Arakan Army as the son-in-law of this country, who were another partner in the massacre of Rohingya Muslims. Through this, the interim government has set a shameless example of betrayal of the Rohingya Muslims and loyalty to the kafir colonialist America. ﴿إِنَّ اللَّهَ لَا يُحِبُّ الْخَائِنِينَ﴾ **“Indeed, Allah does not like the traitors”** [Surah Al-Anfal: 58].

**O Muslims**, the crocodile tears of Colonialist America for the repatriation of Rohingya Muslims is not outside her geopolitical interests. You are witnessing how this America is supporting the illegal Jewish entity in its genocide in Gaza, which has closed all food and water supply corridors to exterminate the Muslims of Gaza, and has even demolished hospitals. America is desperate to take control of the strategic and rich resources of this region by using the Rohingya Muslims issue and is eager to establish her Colonialist foothold in this region. Therefore, the power-hungry political parties that do not oppose this Colonialist project of America, but only show crocodile tears for the Rohingya Muslims and demand the establishment of a separate state for Arakan, are

actually agents of America and they are advancing America's geopolitical strategy. Because you surely know how America used the Muslims of Afghanistan against Soviet Russia and later brought its agents, like Hamid Karzai and Ashraf Ghani in power in Afghanistan and killed millions of Muslims. Allah (swt) says, ﴿إِنْ يَتَّقَوْكُمْ يَكُونُوا لَكُمْ أَعْدَاءً وَيَبْسُطُوا إِلَيْكُمْ أَيْدِيَهُمْ وَأَلْسِنَتُهُمْ بِالسُّوءِ وَوَدُّوا لَوْ تَكْفُرُونَ﴾ **“If they gain dominance over you, they would be [i.e., behave] to you as enemies and extend against you their hands and their tongues with evil, and they wish you would disbelieve”** [Surah Al-Mumtahanah: 2]. Therefore, the people of the country, sincere politicians and intellectuals should unite to resist this colonialist project of America.

**O Muslims**, the Rohingya Muslims are our brothers, they were the pioneers in embracing Islam in this region. They are part of this honorable Muslim Ummah and Arakan is a Muslim land. The Messenger of Allah (saw) said, «الْمُسْلِمُ أَخُو الْمُسْلِمِ لَا يَظْلِمُهُ وَلَا يُسْلِمُهُ» **“A Muslim is the brother of another Muslim. He neither oppresses him nor abandons him”** [Sahih Muslim]. Therefore, abandoning the Rohingya Muslims on the basis of nationality, trapping them behind wired fence, or using them as an issue to demand the establishment of an independent Arakan state for US geopolitical interests is not acceptable. It is clearly forbidden in Shariah for our military to be used as fuel for US geopolitical strategies by guarding humanitarian corridors under the so-called UN or US Indo-Pacific Command. Rather, the duty of our military is to liberate the occupied Muslim land of Arakan. The upcoming Khilafah (Caliphate) state established under the leadership of **Hizb ut Tahrir** will send our military forces on an operation to liberate Arakan as part of liberating all occupied Muslim lands. Bringing Arakan back under the Khilafah is the only permanent solution for the liberation of Rohingya Muslims. ﴿إِنَّمَا الْمُؤْمِنُونَ إِخْوَةٌ﴾ **“The believers are but brothers,”** [Surah Al-Hujrat: 10]
