Conclusion of the "100 Lean Years is Enough" Campaign on the 103rd Anniversary of the Destruction of the Khilafah (Caliphate).

(Translated)

With the help of Almighty Allah, we conclude the [global campaign](#) launched by the Central Media Office of Hizb ut Tahrir, under the direction of the Ameer of Hizb ut Tahrir, esteemed scholar Ata Bin Khalil Abu Al-Rashtah, on the occasion of the 103rd anniversary of the destruction of the Khilafah. This comes in the midst of the painful scenes of the ongoing brutal massacres suffered by innocent Muslims in the Gaza Strip and the occupied West Bank at the hands of the savage Jewish entity. This campaign was carried out in cooperation with the Shabab of the Hizb and the supporters of the dawah for the establishment of the second Khilafah Rashidah (rightly guided Caliphate) on the method of the Prophethood around the world.

At the announcement of the campaign's commencement, the Shabab of Hizb ut Tahrir initiated campaign activities worldwide where they organized various activities including protests, recorded speeches, conferences, live interviews, articles, and statements on the topic of the anniversary of the destruction of the Khilafah (Caliphate).

This year, the campaign drew its message from the scene of the civilizational clash occurring in Palestine between the colonialist kafir West, which is still trying to prevent the collapse of the Jewish entity, and the Islamic Ummah's unwavering resolve to not relinquish the Blessed Land. The campaign activities served as a reminder that Palestine was lost when the Khilafah fell, and it will only be regained when the Khilafah is restored.

The calls and invitations expressed in the speeches, conferences, leaflets, and protests were all, in essence, a direct call to the Islamic Ummah and its armies to return to the glory and honor that existed under the Khilafah and the rule of Sharia law. Thus, Hizb ut Tahrir has outlined the path to reclaiming this great virtue and continues to work with the Ummah to free it from dependence on the man-made kufr regimes imposed by the colonial kafir West.

Moreover, we, at the Central Media Office of Hizb ut Tahrir, extend a sincere call to every Muslim who is protective of Islam and works in the media to participate in spreading this effort, seeking the pleasure of Allah Almighty, and to contribute to the call for the return of Muslim honor, the call for the establishment of the Khilafah Rashidah on the method of the Prophethood.
