Qatar and the UAE Stand Shoulder to Shoulder in Military Exercises with the Jewish Entity!

(Translated)

On Monday, March 31st, multinational air exercises called Iniochos 2025 kicked off at the Andravida Air Base in Greece. Qatar and the UAE participated in the exercises, along with the Jewish entity and the United States, according to a report published by Newsweek. These exercises, which will continue until 11 April 2025, are an opportunity to strengthen strategic partnerships between the participating countries.

While the hands and fangs of the usurping Jews are dripping with the blood of the children, women, elderly and men of Gaza, and their entity is waging a brutal war of extermination against them, the fools of Qatar and the Emirates come to participate with them in training aimed at strengthening cooperation among them and enhancing their joint combat capabilities! Just like this, shamelessly, as if they want the Jews to have more power and arrogance so that they can delve deeper and deeper into the blood of the people of Gaza, and so that the words of Allah (swt) may come true regarding them: **﴿لَا تَجِدُ قَوْمًا يُؤْمِنُونَ بِاللَّهِ وَالْيَوْمِ الْآخِرِ يُوَادُّونَ مَنْ حَادَّ اللَّهَ وَرَسُولَهُ﴾** **“You will never find a people who ‘truly’ believe in Allah and the Last Day loyal to those who defy Allah and His Messenger, even if they were their parents, children, siblings, or extended family”** [Al-Mujadilah: 22].

The loyalty of the Ruwaibidha (insignificant ignorant) Muslim (rulers) to the Jews and the West is no longer hidden from anyone. The Jewish war on Gaza has split the darkness and made it clear to all who have eyes that they are the helpers of the Jews and the West in our lands. Were it not for them, Gaza would not have been left to be slaughtered morning and night for a year and a half, while they watch. They even provided the Jewish entity with the means to persevere and survive, prevented the Ummah and its armies from supporting their brothers and putting an end to their tragedy.

The glaring truth is no longer hidden from the eye; it is that the Ummah's salvation and deliverance from the plots of its enemies will only come through its liberation first from its rulers. Otherwise, it will continue to groan under the oppression and fire of the kuffar and the injustice and foolishness of the rulers.

So, join us, O Muslims, to work to remove the influence of the kafir colonialist West from our lands by establishing the second Khilafah Rashida (Rightly-Guided Caliphate) on the method of Prophethood. **﴿وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ﴾** **“And on that day the believers will rejoice”** [Ar-Rum: 4].
