**Every Day, a Child Becomes a Martyr, and Every Day the
Responsibility Upon You, O Armies of the Muslims, Grows Heavier**

(Translated)

A United Nations report stated that during the 300 days of the “ceasefire,” 300 children were killed as a result of the aggression by the Jewish entity, which did not stop in the Gaza Strip.

The United Nations Children’s Fund (UNICEF) said this occurred despite the agreement to suspend military operations and allow humanitarian and relief aid to enter fully.

This is not an ordinary headline news. It is not passing news. It is not a meaningless statistic. This news is a catastrophe in every sense of the word.

This news means that this world, with its systems and international institutions, is primarily complicit. For three years, it sought to convince the peoples of the world that it did not want war and was seeking peace, while throughout the months of negotiations, pressure was at its highest to force the fighters in Gaza to surrender their weapons. Meanwhile, even after Trump came out boasting that he had managed to stop the war in Gaza, we now find that his spoiled child continues to persist in its brutality, while in return we hear nothing from anyone except to count the martyrs and announce their deaths as passing news!

This news means, O Ummah of Muhammad, that you are considered of little consequence in the eyes of your enemies, and that the killing will continue among our children, women, and youth as long as we deal with our issues from the perspective of narrow nationalism, and from the standpoint of: “As long as the fire has not reached my doorstep, I will simply pray!”

This news means that you, people who possess weapons, leaders of armies, and everyone capable of moving to support their Ummah while remaining silent, carry upon your backs mountains of sin and a burden of wrongdoing that you will face before your Lord on the Day of Resurrection, ﴿وَاتَّقُوا يَوْمًا تُرْجَعُونَ فِيهِ إِلَى اللَّهِ ثُمَّ تُوَفَّى كُلُّ نَفْسٍ مَّا كَسَبَتْ وَهُمْ لَا يُظْلَمُونَ﴾ “And beware of a Day when you will all be returned to Allah, then every soul will be paid in full for what it has done, and none will be wronged.” [TMQ Al-Baqarah: 281].
