Press Release

Invitation to take a stand

"No to Sponsored Writers... and No to Poisoned Ideas"

(Translated)

Hizb ut Tahrir Wilayah Jordan invites you to participate, as part of its campaign, "They will not extinguish the light of Allah", in the stand which it will organize in wrath for Allah's religion under the title "No to Sponsored Writers... and No to Poisoned Ideas" scheduled to take place insha'Allah on Saturday, 13/8/2016, in the area between Aldustoor Newspaper and Al-Rai Newspaper on Press Street from 11 am until Dhuhr prayer.

The aim is to stand up to the evil role that the regime wants of the media institutions which is to attack Islam and distort its ideas and slander its laws. By way of allowing the haters of Islam from politicians to writers to media workers to attack Islam and its values, emitting the principles and toxins of secularism and its cheap capitalist values through various media organizations, while protecting them from accountability using the excuse of freedom of expression. All this to gain the satisfaction and approval of the crusading colonial western forces aided by the judges and public prosecutors overlooking these crimes towards the magnificent Islam which "And whoever desires a religion other than Islam, it shall not be accepted from him".

Oh you Muslims in the land of Islam Jordan:

We in Hizb ut Tahrir / Wilayah Jordan calls on you, your faith and love for your religion to defend it in the face of the brutal international crusading attacks and cheap local secular tools which exert their efforts to prevent the return of Islamic life in your only lawful state (Khilafah) which your Prophet (saw) conveyed to you to be on the path of the Prophethood.
