A Delegation from Hizb ut Tahrir / Wilayah of Lebanon Visits Mabarrat Charity Association

(Translated)

A delegation from Hizb ut Tahrir / Wilayah of Lebanon, led by the Head of the Central Communications Committee Dr. Muhammad Jaber, visited Mabarrat Charity Association. The delegation met with the head of the association his eminence Mr. Ali Fadhlallah. During the meeting several issues were looked into, the most important being how to repel the American attack on the Muslims Ummah; and stressed the unity of the Muslim nation off all its races and sects. The delegation also focused on the necessity of working for the establishment of the Khilafah al-Rashida (Righteous Caliphate) on the methodology of the Prophet, which will be at the frontlines for all those who have been tampering with the capabilities of the Ummah and those disseminate division in the Ummah from the colonizers and others.

The delegation also explained that the US represents the head of international terrorism and the one who sponsors it, and what is called the "war against terrorism" is intended a war against Islam. The delegation warned against the reliance on political power which was established by the colonizers in our countries trough its agents. Furthermore the delegation explained that the sectarian split inside the Muslim Ummah is a plot from the colonists, which must be completely wiped out. As well as wiping out anyone who separates Muslims by race or sect, and then embrace and encourage anyone who spreads the spirits of harmony and brotherhood between Muslims. The delegation also denied the attack against Mabarrat Charity Association arguing against one of the Sheikh Yasir Awda's sermons. The delegation assured that the attack's goal was a unity line represented by the association and its founder – may Allah (swt) have mercy on him.
