Only the Khilafah Will Liberate Kashmir

The Muslims of Kashmir Await Jihad by Pakistan Armed Forces Against Hindu Aggression

The Hindu State has unleashed new levels of oppression against the Muslims of Kashmir, as is its habit. After the martyrdom of the Mujahid Burhan Wani on Friday 8 July 2016, protests erupted in Occupied Kashmir, in which more than twenty Kashmiri Muslims have been martyred and a number of Kashmiri leaders have been detained by Indian security forces so far. Despite this Indian brutality, the Foreign Office of Raheel-Nawaz regime has issued its routine bland statement that, “the murder of Wani and scores of other innocent Kashmiris is deplorable... Oppressive measures such as these cannot deter the valiant people of Jammu and Kashmir from their struggle for the right to self-determination in accordance with the UN Security Council resolutions.”

Kafir occupiers are crossing every limit of brutality in order to eliminate the Muslim resistance in Muslim occupied lands, including Kashmir. It is deplorable that they are able to do so with impunity, despite the presence of hundreds and thousands of Muslim troops in their neighborhood, such as the Pakistan's armed forces, which collectively comprise the seventh largest armed forces in the world, whilst its army alone is the sixth largest army in the world. The Kuffar do not fear that their brutality and oppression will force the mobilization of the Muslim armed forces against them, as they have complete confidence that traitors in the political and military leadership will never allow Muslim troops to move in order to liberate Muslims from the oppression of the Kuffar. Now when, once again, the Hindu state has written in blood a new chapter in oppression against the Muslims of Kashmir, the Raheel-Nawaz regime is not ready to even move a single army company to grant relief for the Muslims of Kashmir from the oppression and occupation of the Hindu. This is even though this regime has deployed almost two hundred thousand soldiers in the tribal regions of Pakistan and forced more than a million tribal people to live in camps for years, only to ensure the continuation of the poisonous American presence and the security of her coward soldiers in Afghanistan.

The military wing of the Raheel-Nawaz regime led by General Raheel, reacts promptly to any incident within the country to create an impression that he is a brave and strong man. However, his inaction and neglect towards the continuous Indian aggression on Line of Control and Working Boundary and Indian oppression in

Kashmir have established that he is neither brave nor strong before the open enemies of Muslims. Had he been brave and strong, he would have from the very first day given such a strong befitting response to Indian aggression, that the Hindu State would have thought a hundred times before committing further aggression against the Muslims of Kashmir. In reality, General Raheel is weak-willed and has allowed himself to be a slave to Washington and according to the wishes of his master, he has engaged Pakistan's armed forces completely in America's war against the tribal Muslims, retreating from the decades long India-centric focus of the armed forces and so India is relieved from its nightmare of facing the lions of Pakistan's armed forces.

Hizb ut Tahrir Wilayah Pakistan confirms that statements of condemnation, requests to international community to play her role and demands of implementing UN resolutions will never end the oppression of the Muslims of Kashmir nor can they liberate Kashmir from Indian occupation. The issue of Kashmir will only be resolved when a truly strong and brave man, a Khaleefa Rashid, ruling by Islam, will declare Jihad to attain the glad tidings of the Messenger of Allah (saaw) about the conquest of Hind and mobilize the mighty army of the Khilafah (Caliphate) on the method of Prophethood. If India can neither eliminate a few thousand mujahideens nor extinguish the desire of liberation from the Muslims of Kashmir, then how will the Hindu State be able to face the mighty army of the Khilafah? Therefore Hizb ut Tahrir asks the sincere officers of Pakistan's armed forces to provide Nusrat to Hizb ut Tahrir, under its Ameer, the eminent statesman and jurist, Sheikh Ata Bin Khalil Abu Al-Rashtah, to establish Khilafah (Caliphate) on the method of Prophethood and respond to the cries of their Muslims brothers and sisters of Kashmir according to the command of Allah (swt).

“And what is wrong with you that you fight not in the Cause of Allâh, and for those weak and oppressed among men, women, and children, whose cry is: Our Lord! Rescue us from this town whose people are oppressors” [Al-Nisa:75]
