Hizb ut Tahrir / Wilayah Sudan

Organizes a Stand in Front of the Old Mosque in Port Sudan in Support of Gaza

(Translated)

Hizb ut Tahrir / Wilayah of Sudan organized a stand in front of the Old Mosque in Port Sudan today, Friday, 7 Safar 1447 AH corresponding to 1st August 2025 CE, following Friday prayers. The party members held up banners with the hashtag: "Topple the thrones that prevent the movement of armies to support Gaza." The banners read:

- ﴿وَإِنِ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ **"But if they seek your help 'against persecution' in faith, it is your obligation to help them" [Al-Anfal: 72]**

- How long will you continue to fail your people in Gaza when you will be asked about them by Allah?!

- If we had a Caliph, he would have ordered us (the hearing and obeying) to pray the Asr prayer only in Palestine.

- O Ummah of two billion: Is it easy for you to see the people of Gaza dying from barrel bombs, rockets, and starvation while you watch?

- Is there a greater crime than keeping the armies in the barracks while the Jewish entity slaughters our women, children, and elderly?!

- O Ummah of two billion: Establish the Khilafah (Caliphate) to liberate Gaza and all occupied Muslim lands.

- The Jewish entity is the shadow of the existing regimes in Muslim countries. If something disappears, its shadow disappears.

- Muslims are one hand against all others, so how can you hand over your brothers in Gaza to your enemy?!

- Overthrow the shabby thrones of the agents and establish the (Khilafah) Caliphate to support your brothers.

- The believers are brothers, so support your brothers in Gaza, if you are believers.

The official spokesman of Hizb ut Tahrir in Wilayah of Sudan addressed the congregation as they left the mosque. They interacted with the stand and the speech by chanting Takbeer and Tahlil, expressing their solidarity with the Muslims' issue in Palestine, and waited until the end of the stand despite the intense heat.
