A delegation from Hizb ut Tahrir / Wilayah Sudan, under the leadership of Ustaadh Nasser Reda, Head of the Central Communications Committee of Hizb ut-Tahrir in Wilayah Sudan, accompanied by Ustaadh Abdullah Hussein, a member of the Central Communications Committee, and Engineer Awad Al-Hadi, a member of Hizb ut Tahrir, met on Monday, 9 Rabi' al-Akhar 1448 AH corresponding to 21/9/2026 CE, with Sheikh Abdul Rahim Issa, a leader in the Native Administration, the Islamic Movement, and a former parliamentary member, at his home in the city of Al-Nile in Omdurman.

The meeting addressed the plan of the colonialist powers, especially America, towards the Islamic countries, and re-dividing them and tearing them apart, especially Sudan. For America's plan, it is proceeding in it with rapid steps; it began with the separation of South Sudan, and work is underway to separate Darfur; through this war that it ignited, and by means of arming the tribes, establishing tribal militias, blowing up the situations, and stirring up racist sentiments.

So what is required is to block the way to the Western project; by directing the tribes towards the project of the unity of the Ummah; the Khilafah Rashidah (Rightly Guided Caliphate) on the method of the Prophethood, and it is the promise of Allah, Glorified is He, and the glad tidings of the Prophet Muhammad (saw).

Sheikh Abdul Rahim Issa affirmed the unity of Sudan, and not allowing it to be torn apart, and that he is with the unity of the Muslims under the Khilafah (Caliphate).

At the end of the meeting, the continuation of communication was affirmed.
